## 种子网络简报 VOL.1

### 关于我们

中国具有悠久的农耕文明，可敬的“种子”是农民世代农耕文明的标志，丰富的农家种源是了无遗憾的乡村。过去农业生产提供“温饱”食品，现在中国要求生态农业和农村可持续发展，种子是农业的基石。在此背景下，为“农民就地选育种子”和“农民就地选育种子”的倡议，我们发起了“种子选育网络”（以下简称“种子网络”）。2013年12月15日在北京召开了“种子网络”的启动会议，会上，中国科学院、中国农业大学、北京林业大学的农业政策研究中心和北京林业大学的种子网络中心共同发起了“种子网络”。

### 我们的愿景

- 种子分享
- 知识共享
- 多方参与
- 能力建设
